

RADIO GAGA
(8 beat intro)

I'd sit alone and watch your light
My only friend through teenage nights
And everything I had to know
I heard it on my radio

You gave them all those old time stars
Through wars of worlds invaded by Mars
You made 'em laugh, you made 'em cry
You made us feel like we could fly

So don't become some background noise
A backdrop for the girls and boys
Who just don't know or just don't care
And just complain when you're not there
You had your time, you had the power
You've yet to have your finest hour
Radio

All we hear is radio ga ga Radio goo goo Radio ga ga
All we hear is radio ga ga Radio blah blah
Radio, what's new?
Radio, someone still loves you

Let's hope you never leave old friend
Like all good things on you we depend
So stick around 'cause we might miss you
When we grow tired of all this visual
You had your time, you had the power
You've yet to have your finest hour
Radio

All we hear is radio ga ga Radio goo goo Radio ga ga
All we hear is radio ga ga Radio blah blah
Radio, what's new?
Radio, someone still loves you
