

## A MILLION DREAMS

*Only 4 measure intro, not 8*

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Run away to a world that we design

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me

You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make  
For the world we're gonna make
