

CAN'T STOP THE FEELING

2021

M,N I got this feeling inside my bones
D, S It goes electric, wavey when I turn it on
E, L All through my city, all through my home
ALL We're flying up, no ceiling, when we in our zone

ALL I got that sunshine in my pocket Got that good soul in my feet
Feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so phenomenally
You gon' like the way we rock it, so don't stop

ALL And under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
E, D So just imagine,
S L just imagine,
M N just imagine

ALL Nothing I can see but you when you dance, dance, dance
Feeling good, good, creeping up on you So just dance, dance, dance, come on
All those things I shouldn't do But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

Emma I can't stop the feeling ALL So just dance, dance, dance
Diana I can't stop the feeling ALL So just dance, dance, dance
