

I Will Be

The world seems so cold,
when I face so much all alone.
A little scared to move on
Knowing how fast I have grown.

And I wonder just where I fit in
Oh the visions alive in my head

I will be strong on my own
I will see through the rain i will find my way
I will keep on traveling this road
'till i finally reach my dream till I'm living and I'm breathing my destiny

I can't let go now,
Even when darkness surrounds.
but if i hold on, i will show the world
All the things that you never expected to see from little old me, this pittsburgh girl.
and i wonder just where my place is,
close my eyes and i remind my self this. oh yer
i will be strong on my own
i will see through the rain i will find my way
i will keep on traveling this road
'till i finally reach my dream till I'm living and I'm breathing my destiny

It comforts me, it keeps me
alive each day of my life.
Always guiding me, providing me
with the hope i desperately need.
Well i gotta believe there's something out there meant for me.
Oh i get on my knees, praying i will receive,
the courage to grow and the faith to love.

And i will be strong on my own
i will see through the rain, i will find my way
i will keep on traveling this road
'till i finally reach my dream till I'm living and I'm breathing my destiny
