

AIN'T NOBODY

Captured effortlessly That's the way it was
Happened so naturally Did not know it was love
The next thing I knew was you Holdin' me close
What was I gonna do? I let myself go
And now we're flyin' through the stars I hope this night will last forever

I've been waitin' for you It's been so long
I knew just what I would do When I heard your song
You filled my heart with a kiss You gave me freedom
You knew I could not resist I needed someone
And now we're flyin' through the stars I hope this night will last forever
Oh, oh, oh, oh

Ain't nobody Loves me better
Makes me happy Makes me feel this way
Ain't nobody Loves me better, than you

I wait for night time to come To bring you to me
I can't believe I'm the one I was so lonely
I feel like no one could feel I must be dreamin'
I want this dream to be real I need this feelin'
I make my wish upon a star
And hope this night will last forever
Oh, oh, oh, oh

Ain't nobody Loves me better
Makes me happy Makes me feel this way
Ain't nobody Loves me better
Ain't nobody Loves me better, than you

First you put your arms around me
Then you put your charms around me
Got a feelin' most would treasure
And a love so deep we cannot measure

Nobody that
Can make me feel this way
This way
Ain't nobody loves me better
Than you
