

GOOD TIME

Woke up on the right side of the bed
What's up with this Prince song inside my head?
Hands up if you're down to get down tonight
'Cause it's always a good time

Slept in all my clothes like I didn't care
Hopped into a cab, take me anywhere
I'm in if you're down to get down tonight
'Cause it's always a good time

Good morning and good night
I wake up at twilight
It's gonna be alright
We don't even have to try
It's always a good time

Whoa oh oh oh, oh oh oh
Whoa oh oh oh It's always a good time
Whoa oh oh oh, oh oh oh
We don't even have to try It's always a good time

Freaked out, dropped my phone in the pool again
Checked out of my room, hit the ATM
Let's hang out if you're down to get down tonight
'Cause it's always a good time

Good morning and good night I wake up at twilight
It's gonna be alright
We don't even have to try It's always a good time

Whoa oh oh oh, oh oh oh
Whoa oh oh oh It's always a good time
Whoa oh oh oh, oh oh oh
We don't even have to try It's always a good time

2x Second time everyone joins onstage

CATE Doesn't matter when It's always a good time then
GROUP Doesn't matter when It's always a good time then
CATE Doesn't matter when It's always a good time then
