

We go together Better than birds of a feather, you and me  
We change the weather, yeah  
I'm feeling heat in December when you're 'round me

I've been dancing on top of cars and stumbling out of bars (PRE CHORUS)  
I follow you through the dark, can't get enough  
You're the medicine and the pain, the tattoo inside my brain  
And, baby, you know it's obvious

I'm a sucker for you Say the word and I'll go anywhere blindly (CHORUS)  
I'm a sucker for you, yeah Any road you take, you know that you'll find me  
I'm a sucker for all the subliminal things no one knows about you about you  
And you're making the typical me break my typical rules It's true, I'm a sucker for you

Don't complicate it 'Cause I know you and you know everything about me  
I can't remember All of the nights I don't remember When you're 'round me

I've been dancing on top of cars and stumbling out of bars (PRE CHORUS)  
I follow you through the dark, can't get enough  
You're the medicine and the pain, the tattoo inside my brain  
And, baby, you know it's obvious

I'm a sucker for you Say the word and I'll go anywhere blindly (CHORUS)  
I'm a sucker for you, yeah Any road you take, you know that you'll find me  
I'm a sucker for all the subliminal things no one knows about you about you  
And you're making the typical me break my typical rules It's true, I'm a sucker for you
