

ALONG CAME BIALY

audition cut 2022

They were helpless
They were hopeless
Then along came Bialy!
They were joyless
They were boyless
Then along came Bialy!
They're my angels

I'm their devil
And I keep those embers aglow
When I woos 'em
I can't lose 'em
'Cause I cast my spell and they start yellin'
Fire down below!

They were listing
They were sinking
Then along came Bialy!
They were desp'rate
They were drinking
Then along came Bialy!

So romantic
They were frantic
Then their prayers were heard up above!
Heaven sent them....
Their Bialy...
I'm the celebration of love!
