

## RUN AWAY WITH ME

Let me catch my breath. This is really hard.  
If I start to look like I'm sweating That's 'cause I am.

I'm not good with words.  
But that's nothing new.  
Still I have to try to explain what I want to do With you...  
With you.

Run away with me. Let me be your ride out of town.  
Let me be the place that you hide. We can make our lives on the go.  
Run away with me.  
Texas in the summer is cool. We'll be on the road like Jack Kerouac  
Looking back, Sam, you're ready,  
Let's go Anywhere. Get the car packed and throw me the key.  
Run away with me.

And Sam, I know it's fast. but I'm in love with you.  
Sam, it's crazy but Sam, I'm crazier for you.  
I have these plans. Sam, I have these **plans**  
Of a house that we build on a bay  
When we run away.

Let me be your ride out of town. Let me be the place that you hide.  
We can make our lives on the go. Run away with me.  
Alabama heat – sign me up.  
We'll be on the road like some **country song**.  
Won't be long.  
Sam, you're ready.  
Let's **go** Anywhere.  
Get the car packed and **throw** me the key.  
Run away with me.

I'm not trying to make you a wife here, I'm not trying to tie you down.  
**I'm just saying** there might be a **life** here –  
A new one as soon as we run, Just as soon as we run.

Let me be your **ride** out of town.  
Run away with me.  
California dreams, here we come!  
Romeo is calling for Juliet.  
Ready, set,  
Sam, you're ready.  
Let's gooooo  
Anywhere.  
Say the word and I'm already there!  
Run away with me.
