

THE SONG THAT GOES LIKE THIS

SENIORS 2023

JF Once in every show There comes a song like this  
JU It starts off soft and low And ends up with a kiss  
JF Oh, where is the song that goes like this  
Where is it? Where? Where?

KL A sentimental song that casts a magic spell  
SP They all will hum along We'll over-act like hell  
AH Oh, this is the song that goes like this  
KG Yes it is AH yes it is SP Yes it is KL yes it is

KL Now we can go straight into the middle eight  
A bridge that is too far for me  
SP I'll sing it in your face While we both embrace (to AH)  
ALL And then we change the key

AH Now we're into E That's awfully high for me  
KG But everyone can see We should have stayed in D  
ALL For this is our song that goes like this

JF I'm feeling very proud  
AH You're singing far too loud  
KG That's the way that this song goes (to JU)  
JU You're standing on my toes  
ALL Singing our song that goes like this

SP I can't believe there's more  
JU It's far too long I'm sure  
ALL That's the trouble with this song  
It goes on and on and on  
For this is our song that is too *long*

KL We'll be singing this 'til dawn  
JF You'll wish that you weren't born  
ALL Let's stop this damn refrain  
*Before we go insane*  
*The song always ends like this*
