

Song That Goes Like This blocking

JF Once in every show there comes a song like this JF/JU KG/AH KL/SP
JU It starts of soft and low and ends up with a kiss
JF Oh, where is the song that goes like this
Where is it? Where? Where?

KL A sentimental song that casts a magic spell
SP They all will hum along. We'll overact like hell
AH Oh this is the song that goes like this (SP and KL move closer to center for below)
KG Yes it is, AH, SP, KL (SP/KL step in front, AH/KG move slightly to R)

KL Now we can go straight into the middle eight
A bridge that is too far for me (KL walk L of KG; SP walk R of AH)
SP I'll sing it in your face while we both embrace JF/JU SP/AH KG /KL
ALL And then we change the key (move to JF/JU AH/KG ~~SP/KL~~)

AH Now we're into E, that's awfully hard for me
KG But everyone can see we should have stayed in D
ALL Singing our song that goes like this (STAY ON PITCH) (move to AH/JF JU /KG SP/KL)

JF I'm feeling very proud
AH You're singing far too loud
KG That's the way that this song goes
JU You're standing on my toes
ALL Singing the song that goes like this (move to AH/JF SP/JU KL/KG)

SP I can't believe there's more
JU It's far too long I'm sure (SP & JU walk R)
ALL That's the trouble with this song (AH and JF move Center)
It goes on and on and on
For this is our song that is too long SP/JU AH/JF KL/KG))

KL We'll be singing this 'til dawn
JF You'll wish that you weren't born
ALL Let's stop this damn refrain
before we go insane
The song always ends like this
