

## I GOT YOU CHOREO 2023

Hey girl, we killed and we know it,  
Don't need that gold to show it when we know it inside  
Hey Girl We got the people screamin, Just like we were dreaming,  
I know I'm satisfied

Hey Girl Look how far we've come now,  
Before you couldn't stand me now you think im all right, right? Right  
Hey Girl I thought you were so rude with a big old attitude now I think you're just fine

And in twenty years, It's not a big old trophy that i'll miss  
But I'll always smile when I remember this.

I got you I got you  
To hang out with when the day is through,

Got no cash, got no wheels  
but I know how being lucky feels,

Got your hand in my hand, got your back,  
I know you got mine too, I got you

I got you like pokemon and pikachu, Ron and hermione, baby we can shake it  
True I got you like biggy and puffy. Like Oprah and Gale

Big Bird and Snuffy

I got you like Sam and Frodo, Like Dorothy and Toto, Notre Dame and Quasimodo  
Like Lucy and Ricky Like Brad and Angelina

make the moment last
