

DON'T FORGET ME lyrics

They thought they could dispose of me They tried to make me small
I suffered each indignity But now rise above it all

Yes, the price I paid was all I had
But at last, I found release
And if something good can come from bad
The past can rest in peace

So if you see someone's hurt And in need of a hand
Don't forget me
Or hear a melody crying from some baby grand
Well, don't forget me

When you sing happy birthday to someone you love
Or see diamonds that never come free
Please say that you won't; I pray that you don't forget me

There are some in this world who have strength of their own
Never broken or in need of repair
But there are some born to shine who can't do it alone
So protect them and take special care

Take care ~~~~~>
Don't forget me
Please take care ~~~~~>
Don't forget me

When you look to the heavens with someone you love
And a light shining bright from afar
Hope you see my face there
And then offer a prayer
And please let me be,
Let me be that star
