

I Will Be

The world seems so cold
When I face so much all alone
A little scared to move on
And knowing how fast I have grown

And I wonder just where I fit in
Oh the visions alive in my head

I will be strong on my own
I will see through the rain
I will find my way
I will keep on traveling this road
'Til I finally reach my dream
Til I'm living and I'm breathing my destiny

Oh, It comforts me, it keeps me
Alive each day of my life
Always guiding me, providing me
With the hope I desperately need

Well I gotta believe there's something out there meant for me
Oh I get on my knees, praying I will receive
The courage to grow and the faith to know

That I will be strong on my own
I will see through the rain
I will find my way
I will keep on traveling this road
'Til I finally reach my dream
'Til I'm living and I'm breathing my destiny
