

PERFECT DAY

Sun's up, a little after twelve
Make breakfast for myself Leave the work for someone else
People say, they say that it's just a phase
They tell me to act my age
Well, I am

On this perfect day Nothing's standing in my way
On this perfect day Where nothing can go wrong
It's the perfect day Tomorrow's gonna come too soon
I could stay forever as I am
On this perfect day

Sun's down, a little after ten
I pick up all my friends in my Mercedes Benz
Wake up! Don't tell me it's just a dream
'Cause when I've had enough you'll hear me say
Now don't you try to rain on my

Perfect day Nothing's standing in my way
On this perfect day Where nothing can go wrong
It's the perfect day Tomorrow's gonna come too soon
I could stay forever as I am
On this perfect day ~~~~>>>^

I'm in the race but I've already won
And getting there can be half the fun
So don't stop me 'til I'm good and done, now
Don't you try to rain on my

Perfect day
It's the perfect day

It's the perfect day Nothing's standing in my way
Perfect day where nothing can go wrong

It's the perfect day

On this perfect day
