

## THIS IS MY TIME

Oh

At times I felt like I had lost my self

'Cause people try to make you someone else

I had to learn to trust my heart so things can change

I came to a point where I can speak my mind and not feel

I'm living in a box to keep the girl I am concealed

Oh - I finally found the strength so I can

Leave that all behind

## CHORUS

This is my time to shine  
This is my place to find  
All that I have inside I never knew

This is my time to show  
What I must have always known  
That nothings impossible  
And dreams come true

## BRIDGE

Overcoming all these things  
Here I finally found my wings  
Now I know I'm ready to fly

## CHORUS

This is my time to shine  
This is my place to find  
All that I have inside I never knew

This is my time to show  
What I must have always known  
That nothings impossible  
And dreams come true
